

Jon Budgell

Thank you for taking the time to look through this leaflet. I hope it will inspire you to know more about the work God has led us to do in Ukraine as well as some other parts of the world. Hope Now has been working in Ukraine since 1992 and is one of the

largest organisations working in central Ukraine.

With the fighting in the East of Ukraine there are now over 1.3 million internally displaced people in Ukraine, many of whom have made their home in the Cherkasy region. Through our team and local Ukrainian Baptist Churches we have been able to give some support from our Mission Fund.

If you would like more information, or a speaker to visit you, please contact us at the Head Office in Southampton. Tel: 023 8078 0720.

Hope Now offers opportunities to visit our work in Ukraine, or you may like to take part in one of our many camps.

Supported churches organise Summer Camps throughout the summer months, or you could join our Ukrainian worker, Anastasia, as she and her team reach out to isolated villages.

Kompas Park offers a comfortable 'first time' experience of overseas mission.

Svieta is the Director of Kompas Park and will be pleased to welcome you for children's camps, English speaking camps (TEFL), and camps for the elderly widows of Ukraine.

Hope Now helps some of the poorest and most vulnerable people. Since the troubles in the East began, prices have risen dramatically.

Hope Now works in orphanages, foster homes and the Rescue Shelter, demonstrating Christ's love to abandoned children.

How can YOU help.....

Hope Now is constantly looking for new partners to share in the vision of bringing health, happiness and development to the orphans and homeless people of Ukraine, and by investing in a range of programmes designed to lift the poorest families out of the poverty they have to live in.

If you would like to know how you can be involved please contact Jon Budgell at:
